

PVH and MCR
FOUNDATION

Through the generosity of private donors and community business partners, the PVH and MCR Foundation continues to support dedicated and high-performing employees further their knowledge and build capacity for leadership through our annual scholarship program. This commitment, which spans more than two decades, helps our high caliber workforce achieve their personal goals, advance the professional leadership of our health system, and provide an exceptional care experience for our patients.

We are proud to honor our donors' commitment to this program by awarding financial support to 37 employees this year with over \$47,000 in awards to help them achieve their academic and professional development goals.

Please join us in congratulating the following recipients:

Additional funds from the Richard G. Titus bequest – a gift made in gratitude for the outstanding care that Dr. Titus received from Poudre Valley Health System during his life, have allowed us to advance the education of select nurse leaders, specifically preceptors and relief charge nurses, through the online RN to BS in Nursing program through the University of Colorado College of Nursing. Recent recipients include:

Kelly Anderson, RN | MCR Cath Lab

Tammy Riddell, RN | MCR Cath Lab
